Leslie P. Gartner : Color Atlas of Histology 5th (fifth) edition Text Only before purchasing it in order to gage whether or not it would be worth my time, and all praised Color Atlas of Histology 5th (fifth) edition Text Only:

0 of 0 people found the following review helpful. Four StarsBy K. SmithGreat pictures, my only problem was occasionally the legend was inaccurate to the actual labels on the photos.

No highlighting, markings, etc. The code is still unscratched for the online application. Front cover has a slight bend in the lower right corner. Great book!
