The textbook followed my course exactly and provided the right level of detail. Pictures/figures were helpful and this book was essential for my anatomy course 1 of 1 people found the following review helpful. Survived anatomy thanks to this book! By Sarah A This book literally helped me survive anatomy - I have no idea how I would have made sense of the class without it. I especially loved the charts tables throughout, which really helped to clarify major differences. 0 of 0 people found the following review helpful. Best move ever to

purchaseBy LiaLove it !!!!!!! Its a great study tool .. Even have the online access (once purchase new) ... Everything is well explained ... After reading I watch tutorial videos on anatomyzone.com ... Now I've mastered anatomy
