Raymond F. Gasser, Kurt E. Johnson, Ronald C. Bohn : Embryology: Review for New National Boards (Embryology - JS Board Review) before purchasing it in order to gage whether or not it would be worth my time, and all praised Embryology: Review for New National Boards (Embryology - JS Board Review):

Louisiana State Univ., New Orleans. Exam review. Covers gametogenesis and early development, organ system embryology, the placenta, and causes of human birth defects. Illustrated. Softcover.
