From Brand: Humana Press : Endocrine Pathology:: Differential Diagnosis and Molecular Advances before purchasing it in order to gage whether or not it would be worth my time, and all praised Endocrine Pathology:: Differential Diagnosis and Molecular Advances:

A comprehensive review of recent molecular discoveries that can clarify the pathophysiology of endocrine disease processes and contribute to the diagnostic aspects of endocrine pathology. Surgeons, medical oncologists, and radiation therapists discuss the treatment of endocrine disorders, especially tumors, with emphasis on differential

diagnosis and on broadening the perspective that the endocrine pathologist must have in making specific tissue diagnoses. Of interest to practicing pathologists, pathology residents, endocrinologists, endocrinologists in training, veterinarians, and interested researchers.
