**Springhouse : Illustrated Manual of Nursing Practice (Illustrated Manual of Nursing Practice (Springhouse))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrated Manual of Nursing Practice (Illustrated Manual of Nursing Practice (Springhouse)):

1 of 4 people found the following review helpful. best budget book ever.By bryant sinsuani can't believe i got this book for under 10 bucks with shipping and everything. get it used, from whoever, its worth the cost. if your a visual learner this book will benefit you best. this book is what i would call 'ballin on a budget' hahahhaha.0 of 2 people found the following review helpful. Illustrated Manual Nursing PracticeBy bluejThe book was clean and neat, but the mailing package was torn and the rim of the cover was damaged.

Completely revised and updated, this broad yet comprehensive edition contains twenty-nine chapters on nursing issues and clinical practice. Topics cover practice and process, documentation, legal issues, health promotion, physical assessment, I.V. therapy, surgical care, and more. Disorders are organized by body system and feature an overview of anatomy and physiology, assessment, diagnostic tests, medication, treatment, and home care, with coverage of care for maternal-neonatal, pediatric, geriatric, emergency, and psychiatric patients. Added features include grabbing nursing procedure graphics, complementary therapies, clinical pathways, and cultural information. Over 1,000 illustrations, charts, and graphs enhance the text, with a new appendix relating Internet sites for nurses.
