Donald M. Weir MD FRCPE, John Stewart BSc(Hons) PhD : Immunology, 8e before purchasing it in order to gage whether or not it would be worth my time, and all praised Immunology, 8e:

This straightforward account of basic immunology concentrates on the core of the subject necessary for the medical curriculum. The coverage of animal based evidence is kept to a minimum. In this edition increased coverage has been devoted to the functioning of the immune system in the normal healthy individual.
