**Holliston L. Riviere : Lab Manual of Normal Oral Histology** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lab Manual of Normal Oral Histology:

0 of 0 people found the following review helpful. Perfect Supplemental Book for Oral Histology LabsBy Nicoli RajcoomarThis book arrived looking brand new although I purchased this book used. It is the perfect companion and supplemental book during Oral Histology classes and labs for dental students!

To accompany standard oral histology texts, Riviere (biological structure and function, School of Dentistry, Oregon Health Sciences U.) provides color microscopic photographs of the features of oral anatomy. Magnification ranges and stains in the photographs are those commonly used in health science
