From LearnSmart : LearnSmart for Cowan Microbiology: A Systems Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised LearnSmart for Cowan Microbiology: A Systems Approach:

1 of 1 people found the following review helpful. NOT A Printable Code, FYI By Bianca L. NOT A PRINTABLE CODE. Just to clarify you will not have immediate access to your code. When they say "printed code" they mean they will print it out and mail it to you, however long that may take. So, if you need quick access like I did, don't buy! 1 of 1 people found the following review helpful. One Star By Karen A Flores Code was not for the book thats on the image of the learnsmart access card.

You're an individual and you learn in your own way. That's why McGraw Hill Education created LearnSmart, a revolutionary study tool that adapts to your own, personal study needs. Now there's no more reading a book cover to cover and hoping that you study what you need. LearnSmart will identify what topics you already know, then help you zone in on what you still need to learn. This way, LearnSmart helps you make sure every minute you study is a productive one, and that you're studying smarter, not harder.

System Requirements: Supported OS: Windows 8
Windows 7 Windows Vista Windows XP Mac OS X 10.8 Mountain Lion
