This chart shows the location of various joints and provides anterior and posterior views of the left shoulder, right hip,

right knee, and left elbow. The chart also illustrates lateral and medial views of the left elbow and ankle joint and shows superficial volar, deep dorsal, and superficial dorsal views of the left wrist. "Three dimensions let you feel texture and form. Three-dimensional images, bold titles, and clear, easy-to-read labels make it easy and fun to learn about the body. The durable, lightweight, non-toxic, recyclable plastic will last indefinitely. The chart has a hole at the top for easy wall hanging, and will also stand up on an easel.
