Worked Perfectly!By Heather ScheurerI ordered this for my husband's college class and received it within a couple of days!Just be sure that you are enrolled in a class that requires MyHistoryLab as you will need a course code from your

instructor to complete registration!0 of 0 people found the following review helpful. Works great!By SMariePAwesome, came super fast. So happy ~ This code saved me at least \$20. Just make sure you have a course id from your teacher because it will not let you register without one.
