Jean-Marie Lachapelle, Howard I. Maibach : Patch Testing and Prick Testing: A Practical Guide Official Publication of the ICDRG before purchasing it in order to gage whether or not it would be worth my time, and all

Knowledge in the field of allergic contact dermatitis continues to expand rapidly owing to progress in the chemical, immunological, and clinical fields, including improved techniques of patch testing and prick testing. The third edition of this important book, which includes additional color illustrations, has been extensively revised, updated, and expanded to reflect the most recent developments. These include advances in patch testing methodology, in particular the new chambers that are appearing on the market, revision of the baseline series of patch tests to reflect the latest evidence-based work, and additional testing procedures. The result is a superb guide to the current management of positive and negative patch test and prick test reactions that will be invaluable for all practicing dermatologists, from the beginner to the well-trained expert.

From the reviews of the second edition: "The aim is to balance brevity and clarity with sufficient details for beginners in the field of diagnostic patch and prick testing. the book also will be of use to dermatology residents or anyone wishing to gain better knowledge of contact dermatitis. There are many high-quality photographs and useful algorithms and tables. It is clearly and concisely written and will serve as an indispensable guide for any dermatologist interested in contact dermatitis." (Renata H. Mullen, Doodys Service, August, 2009) Aus den Rezensionen zur 2. Auflage: ... Ziel des hier vorgestellten Leitfadens zu Hauttests ist es, die praktische Umsetzung der ICDRC-Empfehlungen in den klinischen Alltag darzustellen. ... Mit seinen 195 Seiten aufgelockert durch zahlreiche Tabellen und farbige Abbildungen - versteht sich dieses Buch als Ergänzung zu den umfangreichen Standardwerken. Hilfreich für den eiligen Leser sind eine klar strukturierte Inhaltsangabe, unter denen vielfach in bersichtlichen Spiegelstrichen gegliedert die wesentlichen Informationen aufgeföhrt sind. ... Doch auch theoretische Grundlagen ... werden kurz und bndig dargestellt. Insgesamt ein Buch mit groer praktischer Nutzenanwendung. (Franziska Rueffl, in: JDDG Journal der Deutsche Dermatologischen Gesellschaft, 2010, Vol. 8, Issue 3, S. 219)From the Back CoverKnowledge in the field of allergic contact dermatitis continues to expand rapidly owing to progress in the chemical, immunological, and clinical fields, including improved techniques of patch testing and prick testing.
