I was able to complete the entire course with an "A" using this older version...and for a lot less \$\$\$.

Best of luck!1 of 1 people found the following review helpful. Great deal!By JessikaI had a good experience with this purchase. I feel this book was at great cost because it is really BIG and heavy and I did not pay much for it.The deliver did not take long either; it took about a week and a half.
