From Saunders Co,2010. : Pathophysiology for the Health Professions, 4th edition.[Paperback,2010] before purchasing it in order to gage whether or not it would be worth my time, and all praised Pathophysiology for the Health Professions, 4th edition.[Paperback,2010]:

A concise, easy-to-understand introduction to the fundamentals, Pathophysiology for the Health Professions, 4th Edition helps you learn to identify disease processes and disorders. Authors Barbara Gould and Ruthanna Dyer continue the tradition of a text known for its readability and vivid, full-color illustrations, updated with the latest research and clinical advances. Unique "Challenge, Think About, "and "Emergency Treatment" features help in applying the material to real-life situations. No matter which area in the healthcare field you may enter, this book provides essential preparation for conditions encountered in clinical practice.
