Maurice Mufson M.D., Frederick E. Sieber MD : Pathophysiology: PreTest Self-Assessment Review, Third Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pathophysiology: PreTest Self-Assessment Review, Third Edition:

3 of 13 people found the following review helpful. haven't had time to use it yet By Bethingten I'm currently using it for class, not for the USMLE, so it doesn't seem to necessarily go into the detail I need to know for class. I'm sure it's great for the USMLE, but I won't know for sure till next spring.

PreTest is the medical students most dynamic weapon for acing the USMLE Step 1. Great for course review and exams, too! Pathophysiology PreTest asks the right questions so you'll know the right answers. Open it and start learning what's on the test. PreTest is the closest thing you can get to seeing the test before you take it. This one-of-a-kind test prep guide helps you to: *Get to know material on course exams and the USMLE Step 1 *Practice with 500 clinically-oriented multiple-choice questions *Review key facts for exam success *Build confidence, skills, and knowledge There are plenty of answers out there. But only PreTest delivers the right questions. STUDENT TESTED AND REVIEWED Some questions on the USMLE seemed to have come right out of my PreTest! --a medical student who recently passed the USMLE Step 1

From the Back Cover PreTest is the medical students most dynamic weapon for acing the USMLE Step 1. Great for course review and exams, too! Pathophysiology PreTest asks the right questions so you'll know the right answers. Open it and start learning what's on the test. PreTest is the closest thing you can get to seeing the test before you take it. This one-of-a-kind test prep guide helps you to: *Get to know material on course exams and the USMLE Step 1 *Practice with 500 clinically-oriented multiple-choice questions * key facts for exam success *Build confidence, skills, and knowledge There are plenty of answers out there. But only PreTest delivers the right questions. STUDENT TESTED AND REVIEWED Some questions on the USMLE seemed to have come right out of my PreTest! --a medical student who recently passed the USMLE Step 1 About the Author Maurice A. Mufson, MD Professor and Chairman Department of Medicine Marshall University School of Medicine Huntington, West Virginia Dr. Mufson has been chairman of the Department of Medicine since the school was founded. He prepared the first two editions of Pathophysiology: PreTest by enlisting the help of his colleagues, who also participated in the preparation of the third edition of the book. Frederick E. Sieber: Attending Physician and Chair, Department of Anesthesiology, Johns Hopkins Bayview Medical Center; Chairman and Director of Clinical Research, Department of Anesthesiology, Johns Hopkins Bayview Medical Center; Associate Professor, Department of Anesthesiology and Critical Care Medicine, The Johns Hopkins Hospital, Baltimore, Maryland
