From McGraw-Hill (Tx) : Physiology: PreTest Self-Assessment Review (Pretest Basic Science Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Physiology: PreTest Self-Assessment Review (Pretest Basic Science Series):

The PreTest Basic Science Series offers an unrivaled study regimen for course work or examination preparation. Each title contains over 500 multiple-choice questions which parallel the format and degree of difficulty found on licensing exams. Detailed answers are provided along with references to the recent literature and a bibliography. When used in concert with the appropriate PreTest simulated exam, these titles provide an authoritative review for USMLE Step 1 and Step 3.
