Jeffrey M. Brensilver, Emanuel Goldberger : Primer of Water, Electrolyte, and Acid-Base Syndromes before purchasing it in order to gage whether or not it would be worth my time, and all praised Primer of Water, Electrolyte, and Acid-Base Syndromes:

This update features new illustrations and rewritten chapters on alcoholic ketoacidosis and on diagnosing and

managing renal failure. It maintains its clinical emphasis, showing how principles are applied to patients.

About the Author Jeffrey M. Brensilver, Professor of Clinical Medicine (Nephrology), New York Medical College, Valhalla, NY and Chief of Medicine, New Rochelle Hospital and Medical Center, New Rochelle, NY. Emanuel Goldberger, New York Medical College, Albert Einstein College of Medicine, Valhalla and Bronx, NY.
